

Discover the Rare Gem of East Africa

Authentic Tanzanite & Stone Town Heritage Shopping Experience

Tanzanite is a thousand times rarer than diamonds, found only in one place on Earth: Tanzania. Buying this exquisite gemstone in Zanzibar is a dream for many, but navigating the market requires trust and expertise.

At **Saving Tour**, we ensure your investment is protected, your stone is certified, and your experience is enriched with the history of Stone Town.

Your Journey

1. The Museum Experience

Start at a premier Tanzanite museum. Learn the history, mining, and the unique 4Cs (Color, Clarity, Cut, and Carat) that make this gemstone so special.

2. Guided Shopping Selection

Visit hand-picked, licensed boutiques. Our guide assists you in verifying GIA/GTL certificates and ensuring fair, competitive pricing.

3. Heritage & Culture Walk

Stroll through historic Stone Town alleys, discovering iconic landmarks and local architecture as you soak in the island's soul.
